Pickleball Ladder Guidelines

HOW IS THE LADDER MANAGED?:

- The City of Boca Raton Pickleball Ladders are managed through Global Pickleball Network. It is a free website that makes running a ladder quick and easy.
- All registered/paid players must have a Global Pickleball Network account to play in the ladder prior to April 20 The ladder Admin will email or text you a link. Please be sure Patch Reef has accurate contact information (cell phone, email)
- **Ladder will carry a maximum of 60 players to maintain the integrity of play on each Friday. This allows us to accommodate individual who are away, sick, injured, etc. Each Player will have 1 –BYE week.**

LADDER DETAILS:

- **Start Date: 4/28/23 End Date: 6/2/23 Rain Date: 6/9/23**
- **Deadline to register: 4/20/23 (no refunds after deadline)**
- **Times: 7:30-9:00am (3.5-4.0); 9:00-10:30am (2.5-3.0)**
- **Fee: $55 members; $75 non-members**

FORMAT:

- **Round Robin**: 30-45 players from each ladder will play each week. 5 individuals will be assigned to 1 court. Each person will partner with every person on your court. You each will play 4 games and have 1 bye game.
- **Points Based Ladder**: You will keep your own individual scores. You will receive 1 point for each point that you win in each game.
- **Scoring:** Each game is played to 11 points; win by 1

RULES:

- **A Global Pickleball EVENT is opened for registration each Monday at 7:30 or 9:00am depending on your start time, for the following Friday's ladder. Players MUST go into the event and say YES or NO to "ARE YOU COMING?" If all spots are full put yourself on the waitlist. The event will be closed each week Wednesday morning. The first players to reply will be scheduled for games that following Friday and will see themselves on the roster. Please do not show up to the court to play unless you receive a confirmation email on Wednesday stating that you are playing.**
- If you know that you will be **out of town** any of the 6 weeks that the ladder is being held, please go into the event at any time and click on NO to "Are you coming".
- When you arrive on the day that you are playing, please do not stop into the office. **Come directly out to the pickleball courts** and you will be directed to the court you will be playing on.
- Provide your own balls and water.
- **Each court will be given a score sheet.**
- **Scores** must be reported on the Global Pickleball Network website right after the games are complete. Turn in the paper copy to the front office.
- It is a **forfeit** if a player is more than 15 minutes late. The player who does not show or is more than 15 minutes late will receive a 10 point penalty (-10 pts) applied to their individual record.
- If it **rains,** all players MUST get off the courts. Play will resume if conditions are safe and approved by Patch Reef staff. If play is able to resume, the remaining games will be timed rather than playing to 11 points (ex: it rains and there is only 45 minutes left to play the last 3 games. Each game will last 15 minutes or to 11 pts; depending on what happens first)
- 24 hr. event cancellation-if you are on Fridays roster and you cancel w/24hrs of play , that will not be considered your BYE week.
- You can only play in the ladder that you registered and paid for.
- Contact the administrator if there are any errors.
- We are all out here to have fun and improve our pickleball skills. Please follow the pickleball code of conduct..
